

# How to Return Redeemed Currency

Redeemed community food currency collected by farmers' markets is returned monthly, in the first week of the next month.

1. Pack up your monthly collected redeemed currency separated by week collected. Include the weekly totals on the provided slip (or one of your own) in each bundle. Please indicate the total pieces of currency being returned as well.

2. Send the currency in one of the flat rate boxes available at any Canada Post outlet. You can see the boxes [here](#).

3. Make sure to keep your receipt and submit a picture/scan to DFMB. DFMB will preload funds to markets prior to the season for postage, and update that amount as receipts are received.
